

FREE COMMUNITY WORKSHOP

Picky Eating

Presented by: Amanda King, OTRL
Occupational Therapist at

KIDS IN MOTION

PEDIATRIC THERAPY SERVICES

- ♦ Is your child selective on their food choices and what they'll eat?
- ♦ Do they shy away from different textures and density of food?
 - ♦ Do they pocket food in their cheeks?
 - ♦ Does your child refuse to try anything new?

If you answered **YES** to any of these questions, you could benefit from attending this workshop. It will give an overview of useful techniques and ideas to use at home to improve mealtimes.
