

Should I be concerned about
Developmental Delays??.....

Learn what **DEVELOPMENTAL DELAY** means, how to recognize it and what you can do to help your children attain developmental milestones **BEFORE** physical & school performance are affected.

FREE COMMUNITY WORKSHOP

It's our goal to help infants through school-age children who are at risk for developmental delays

Speaker: Mary Hydorn, PT-Owner at

Kids In Motion Pediatric Therapy Services

Thursday November 5th, 2015

6:30 - 8:00 pm

At Highland Township Public Library

444 Beach Farm Circle,

Highland, MI 48357

RSVP: 248-684-9610

by Tuesday Nov 3rd *Walk-ins still welcome!*

Infant to Pre-school

- Is your baby rolling with ease?
- Does your baby dislike tummy time?
- Does your baby have a difficult time crawling?
- Does your child have a difficult time jumping?
- Is your child not physically keeping up with peers?
- Has your child always been behind with developmental milestones?
- Does your child make sounds?

Don't wait for a child to outgrow developmental difficulties or postural weakness!

Pediatric Therapy Services
