Hosted by: Kids In Motion Pediatric Therapy Services  
2636 S. Milford Rd. Highland MI 48382

## Morning Session: Toilet training

Children with autism and other disorders is loaded with challenges. Using a no-nonsense, often humorous approach, Judith Coucouvanis, MA, APRN, BC, will share strategies that have produced remarkable results for parents of children with autism and other disorders nationwide. Promising no "quick fixes," Judith will guide you through the toileting journey, step-by-step, to the ultimate destination - dry pants.

## Afternoon Session: Behavior Consequences

Most problems can be defined as "can't do" or won't do." Learn the rules for using positive and negative consequences in each case. Learn what types of consequences can reinforce misbehavior and can be ineffective at changing problem behavior. Finally, learn how to use praise, primary and secondary rewards as well as timeout most effectively.

Tell your friends, parents and caregivers about this informative class and respond early to reserve your spot.

**RSVP by Thursday 2/18/16**
